Pulkit Mathur

AI Video Producer | AI Filmmaker

+91-9887728889 | mpulkit0@gmail.com | Bengaluru, Karnataka | pulkit_22 | Portfolio

Summary

AI Video Producer who takes videos from idea to final cut: scripting, shot planning, prompting, AI video generation, editing, voice-over and sound. Creates story-driven short films, cinematic spec ads and short-form reel ads. Brings 1.5 years of freelance client work and a software internship, so I deliver independently on deadline and adopt new AI tools fast.

Experience

Freelance Video Editor & Ad Creator, Delulu Report, Remote *Sep 2026 – Present*

- Script, generate and edit 15–20 sec voice-over reel ads for Instagram and Meta campaigns.
- Produce promo reels for new product launches, including wedding card templates.

Freelance Video Editor, Gandhisagar Forest Retreat, Remote *Aug 2026 – Present*

- Edit and deliver promotional videos and reels for the resort's Instagram page.
- Turn raw footage into short, engaging reels that showcase the stay, nature and experiences.

Freelance Developer, Self-Employed (Client Projects), Remote *Jul 2025 – Present*

- Delivered client projects end to end, solo: a multi-tenant school website SaaS (Web Builder Pro) and a multi-tenant turf booking platform (Start Sports).
- Worked directly with clients through requirements, feedback, delivery and handover, on deadline.
- Guide interns as a technical consultant on a monthly retainer.

MERN Stack Developer Intern, KisTechno Software, Jaipur *Feb 2026 – Jun 2026*

- Built and maintained production web applications for real clients in a team environment.
- Wrote scripts for marketing and promo videos of the company's products, supporting product launches and outreach.

AI Video Projects

RAAKH – *Indian Folklore Horror Short (Trailer)*

- Original Dussehra-set horror story featuring Raghu as Raavan; wrote the script and planned every shot.
- Minimal characters and 2 locations to hold visual consistency across AI-generated shots.
- Cut as a trailer with an old-man narrator voice-over, music and suspense-driven pacing.

Disapple – *Cinematic Spec Ad for a Fictional Watch Brand (~40 sec)*

- Skydiving ad story with a single character, told in 8 or fewer shots.
- Product reveal on a top shot of the parachute canopy printed with the watch design.
- Built the plane, character and gear first to keep the look consistent shot to shot.

Skills

AI Video	Text-to-video, image-to-video, prompt writing, character and scene consistency
Production	Scriptwriting, shot planning, storytelling, voice-over, sound design
Editing	Cutting, pacing, trailers, ads, short-form reels, captions
